Infants

This month we will be meeting some new friends and saying farewell to our friends graduating to the toddler program. There is bound to be some big emotions. We will continue developing cognitive skills, social skills, & motor skills.

Toddlers & Twos

August is always an emotional month with new faces and good friends moving up to the next program. We will be enjoying Space Adventures, Celebrating the New School Year, and reviewing our preschool concepts. Please remember to bring nap items home for washing weekly and check file folders often.

Preschool

This month we will learn through Space Adventures and Celebrating the New School Year. We will continue reviewing all of our preschool concepts. The majority of our kiddos will be graduating up to our Pre-K programs and we will have new friends joining us.

Pre-K & High Fives

Emotions will be soaring this month in our Pre-K and High Fives. Most of our friends will be starting kindergarten and joining the big kids. We will continue having fun with Space Adventures, and Celebrating the New Year. We will focus on reviewing our concepts for letters, numbers, and shapes. Please make sure your managers know of your kindergarten plans and schedule changes.

School Age-Summer Camp

Throughout August, our school agers will be packing in as much summer fun as they can before it's back to the books. It is extremely important to provide your managers with your school information and schedule plans as soon as possible. If you will be leaving us for the school year, please remember we require a two week notice.
